

PROGRAMME

SWEDEN

- FRONTRUNNERS IN SUSTAINABILITY, EFFICIENCY AND INNOVATION

NOR-SHIPING, LILLESTRØM, MEETING ROOM E8,
TUESDAY 30/5, 13:00

Seminar on Sustainability, Efficiency and Innovation

To meet the challenges of today and tomorrow and create a sustainable future we require knowledge and close collaboration between the various players in the maritime industry. Our seminar brings together leading experts from Swedish academia, market leading companies and the public sector to discuss the Swedish perspectives on sustainability, efficiency and innovation.
